Dear Mr. Hunt:

I am pleased to add my personal thanks to those of the members of our Executive Development Seminar for your breakfast meeting during their recent Dallas field trip. I am a firm believer in dialogue between the business and intelligence communities in areas of common concern. One such area is executive development, and your open and candid discussion of the operations of the Hunt Oil Company, including the selection and motivation of personnel, clearly broadens their perspectives on creative and successful leadership. Please extend my thanks to Mr. Raymond E. Fairchild and Mr. Thomas E. Meurer for their participation.

Sincerely,

/s/ William J. Casey
